### Requests General Observance on October 9.

WASHINGTON, Sept. 7 -- President Wilson in a proclamation to-day urged State Governors to set apart Saturday. October 9, as fire prevention day and to request a general observance by the

The need for bringing "before the people the serious and unhappy effects of the present unnecessary fire waste and the need of their individual and collective effort in conserving the natural and created sources of America" was said by the President in his proclamation to be especially urgent for the following rea-

"The destruction by fire in the United States involves an annual loss of life of 15.000 men, women and children and over \$250,000,000 in buildings, foodatuffs and other created resources.

The need of the civilized world for American products to replace the rav-The present serious shortage of

homes and business structures makes the daily destruction of buildings by fire an especially serious matter.
"A large perentage of the fires caus-

ing the annual American fire waste may be easily prevented by increased care and vigilance on the part of citizens."
